

QM

Quality Mark:

- QM is a quality assurance scheme tailor made for our work with young people in clubs
- QM allows clubs to look at their provision to recognise and celebrate work done well
- QM provides targets to work towards to make our clubs even more effective
- QM sets the standard for work with young people in the voluntary sector
- QM is accredited by CYP and endorsed by The NYA and DfES

What does QM cover?

QM is divided into 11 areas:

- QM Young person centered service
- QM Youth work outcomes
- QM Protection of young people
- QM Equal opportunities
- QM Staff
- QM Premises
- QM Resources
- QM Management
- QM Administration
- QM Community involvement
- QM Quality policy

Benefits of Quality Mark:

QM offers benefits to young people, workers and volunteers, parents, management committees, funders and your local community

Young people get involved with their club and gain skills and confidence, the community has increased awareness of the club and parents and supporters can be sure the club is well run

Clubs can work through the manual individually or get together with other groups locally to support each other

For more info about QM and how to get support, contact CYP – 020 7793 0787 or office@clubsforyoungpeople.org.uk

How do we start in our club?

- QM The QM manual is available from CYP - contact your local Development Manager to discuss training, support and cost
- QM Use the manual to gather evidence of good practice, then submit it to a CYP assessor for accreditation
