

CURIOUS ABOUT STUDYING AT UNIVERSITY?

Join one of our **FREE** interactive workshops and experience university-style teaching and learning before deciding if it's right for you.

Explore programmes offered by the School of Education and discover where they could take you.

Youth & Community Work

Explore how youth workers support young people and communities through participation, professional practice and social justice. Discover how theory and practice come together to create positive change.

DATES & TIMES

17 August 2026	2.00–4.00 pm
1 September 2026	7.00–9.00 pm

Special Educational Needs, Disability and Inclusion (SENDI)

Explore inclusive approaches that challenge barriers to learning and celebrate diversity. Discover how research, policy and practice can improve outcomes for children, young people and adults with SEND.

DATES & TIMES

18 August 2026	2.00–4.00 pm
2 September 2026	7.00–9.00 pm

TESOL

Develop the skills to teach English confidently and creatively in a global context with our BA TESOL degree. This forward-thinking programme equips you with a solid foundation in English language teaching, combining theoretical knowledge with hands-on experience.

DATES & TIMES

20 August 2026	2.00–4.00 pm
3 September 2026	7.00–9.00 pm
