Join us for a Belong Collective event, bringing together young people, practitioners and local organisations to connect, share ideas and explore how we can collectively tackle youth loneliness.

The event will be an interactive day, with opportunities to:

- Learn more about youth loneliness and what it can look like for young people
- Hear directly from young people about their experiences and perspectives
- Explore local needs, challenges and opportunities
- Share ideas and identify practical ways we can help more young people feel connected and that they belong

There will be plenty of time throughout the day to meet, learn from and collaborate with others, with the aim of turning conversations into ideas and action that can make a difference locally.

A note about the topic: We recognise that conversations about loneliness and belonging can sometimes feel personal or sensitive. We want everyone to feel comfortable taking part in a way that works for them. There will be a quiet/wellbeing space available throughout the event, and nobody will be expected to share personal experiences if they do not wish to.

We'd love to have you join us and be part of the conversation about how we can create communities where more young people feel connected, supported and that they belong. **Event Registration by 16th October 2026 to attend**
